If I can help a kid discover a liking, or even a passion for music in their life, then that’s a wonderful thing. Eddie Van Halen

The first step – especially for young people with energy and drive and talent, but not money – the first step to controlling your world is to control your culture. To model and demonstrate the kind of world you demand to live in. To write the books. Make the music. Shoot the films. Paint the art. Chuck Palahniuk

Music is stored in our long-term memory. When we learn something through music, we tend to remember it longer and believe it more deeply. Joyce Brothers

Music has a power of forming the character, and should therefore be introduced into the education of the young. Aristotle

Our youth should also be educated with music and physical education. Aristotle

Music is a more potent instrument than any other for education. Plato
