We all are learning, modifying, or destroying ideas all the time. Rapid destruction of your ideas when the time is right is one of the most valuable qualities you can acquire. You must force yourself to consider arguments on the other side. Charlie Munger

If you don’t learn to control your thoughts, you will never learn how to control you behavior. Joyce Meyer

Never walk away from failure. On the contrary, study it carefully and imaginatively for its hidden assets. Michael Korda

True learning takes energy, passion and a burning desire. Robert T. Kiyosaki

When learning is purposeful, creativity blossoms. When creativity blossoms, thinking emanates. When thinking emanates, knowledge is fully lit. When knowledge is lit, economy flourishes. A.P.J. Abdul Kalam

Do you train for passing tests or do you train for creative inquiry? Noam Chomsky

Man’s mind, stretched to a new idea, never goes back to its original dimensions. Oliver Wendell Holmes Sr.
Learning to write is learning to think. You don’t know anything clearly unless you can state it in writing. S.I. Hayakawa

Learning is not attained by chance, it must be sought for with ardor and attended to with diligence. Abigail Adams

My instinct is always to seek out challenges as opposed to avoiding them. Josh Waitzkin (The Art Of Learning)

When aiming for the top, your path requires an engaged, searching mind. You have to make obstacles spur you to creative new angles in the learning process. Let setbacks deepen your resolve. You should always come off an injury or a loss better than when you went down. Josh Waitzkin

If you’re smart, and question everything, you’ll eventually figure everything else out at a good enough level. Naval Ravikant

By three methods we may learn wisdom: First, by reflection, which is noblest; Second, by imitation, which is easiest; and third by experience, which is the bitterest. Confucius

Be curious about the world in which you live. Look things up. Chase down every reference. Go deeper than anybody else – that’s how you’ll get ahead. Austin Kleon

Failure is instructive. The person who really thinks learns quite as much from his failures as from his successes. John Dewey

All the world is a laboratory to the inquiring mind. Martin Fisher

Study the past if you would define the future. Confucius Click to tweet

Quotes About Learning, Education, School, Studying

Genius without education is like silver in the mine. Benjamin Franklin Click to tweet

Love of learning and ritual of study give you extreme power. Robert T. Kiyosaki

Knowledge is a weapon. I intend to be formidably armed. Terry Goodkind

Studying, and striving for truth and beauty in general, is a sphere in which we are allowed to be children throughout life. Albert Einstein
The modern education system misses a central point about learning, that learning is driven by the genuine interest of the individual. You cannot devise a uniform syllabus for all and expect that everyone will be equally interested in it. Top down education is anti learning.  
@TheAncientSage

Education is something that is done to you. Learning is something you do for yourself. Joi Ito

Education system was designed to produce factory workers. Obsolete. Young people are entering an age of increasing complexity and rapid change. Capacity for continual self-directed learning is crucial. Those that struggle with abstract thinking and complex tasks will suffer. @TheStoicEmperor

Education is education. We should learn everything and then choose which path to follow. Education is neither Eastern nor Western, it is human. Malala Yousafzai

Education is the ability to listen to almost anything without losing your temper or self-confidence. Robert Frost

When students cheat on exams it’s because our school system values grades more than students value learning. Neil Degrasse Tyson

The value of an education in a liberal arts college is not the learning of many facts, but the training of the mind to think something that cannot be learned from textbooks. Albert Einstein

Education does not happen on discrete intervals, it’s the sum of all information you digest. To be educated, it’s just as important to cut low quality info as it is to increase high quality info. Michael

Learning isn’t a passive activity. True learning requires active participation. Robert T. Kiyosaki

An educated person is one who has learned that information almost always turns out to be at best incomplete and very often false, misleading, fictitious, mendacious – just dead wrong. Russell Baker

Education is learning what you didn’t even know you didn’t know. Daniel J. Boorstin

Education is what people do to you; learning is what you do to yourself. Joi Ito Click to tweet

Education is the power to think clearly, the power to act well in the world’s work, and the power to appreciate life. Brigham Young

The world is a university and everyone in it is a teacher. Make sure when you wake up in the morning, you go to school. T. D. Jakes
Study hard what interests you the most in the most undisciplined, irreverent and original manner possible. Richard Feynmann

Learning requires what scientists call “desirable difficulty”. The more active the learning process, the better your comprehension and recall. Susan Cain

Real education must ultimately be limited to men who insist on knowing. The rest is mere sheep herding. Ezra Pound

The most necessary task of civilization is to teach people how to think. It should be the primary purpose of our public schools. The mind of a child is naturally active, it develops through exercise. Give a child plenty of exercise, for body and brain. The trouble with our way of educating is that it does not give elasticity to the mind. It casts the brain into a mold. It insists that the child must accept. It does not encourage original thought or reasoning, and it lays more stress on memory than observation. Thomas A. Edison

Education is not confined to books, and the finest characters often graduate from no college, but make experience their master, and life their book. Louisa May Alcott

Self-education is, I firmly believe, the only kind of education there is. Isaac Asimov

Teaching is more a way for the teacher to learn than for the student to learn. Naval Ravikant

We have the entire library of the modern age available on the Internet. Naval Ravikant

Real learning comes about when the competitive spirit has ceased. Jiddu Krishnamurti

It’s what you learn after you know it all that counts. John Wooden Click to tweet

With one day’s reading a man may have the key in his hands. Ezra Pound

I never learn anything talking. I only learn things when I ask questions. Lou Holtz

You yourself must learn to master your emotions, and never be influenced by anger. Robert Greene
If you experiment a lot you will fail often but at the same time your odds of success will also increase. Success and failure go hand in hand; they are not mutually exclusive. Learn to look at success and failure as gradations on a continuum, not as binary opposites. 

@TheAncientSage

A life spent making mistakes is not only more honorable, but more useful than a life spent doing nothing. George Bernard Shaw

Failures can be seen as information or they can be seen as a threat to your sense of self. Embracing the former definition will help you learn and improve. Succumbing to the latter will make you timid and resentful. @TheStoicEmperor

Worthwhile things are hard to do. You feel foolish and out of your depth when you start. Many find that intolerable and retreat to their comfort zone. Each master was able to endure being a beginner. Some learn to love it. They live on the bleeding edge of their capacities. @TheStoicEmperor

No thief, however skillful, can rob one of knowledge, and that is why knowledge is the best and safest treasure to acquire. L. Frank Baum

The world, even the smallest parts of it, is filled with things you don’t know. Sherman Alexie

Learn as much as you can while you are young, since life becomes too busy later. Dana Stewart Scott

The barrier during self-improvement is not so much that we hate learning, rather we hate being taught. Criss Jami

To be taught often leaves a feeling of inferiority. Thus it takes a bit of determination and a lot of humility in order for one to fully develop. Criss Jami

I learned the value of hard work by working hard. Margaret Mead Click to tweet

It’s not just learning that’s important. It’s learning what to do with what you learn and learning why you learn things that matters. Norton Juster

The books that help you most are those which make you think the most. The hardest way of learning is that of easy reading; but a great book that comes from a great thinker is a ship of thought, deep freighted with truth and beauty. Theodore Parker

The greatest way to learn is to listen to what others are saying. Most of what we need to know comes from other people’s lips, and not our own. Marianne Williamson

Don’t try to have it all figured out all the time. Half of my journey has been learning to own up to my flaws and mistakes with a sense of humor and grace for myself. Mel Robbins
We always get a re-set. Learn, move forward. We’re all imperfect and growing! Brené Brown

You must learn to make the whole world your school. Martin H. Fischer

Travel is still the most intense mode of learning. Kevin Kelly (See also: travel quotes)

Those who can embrace being a beginner will thrive. @TheStoicEmperor

The future belongs to those who learn more skills and combine them in creative ways. Robert Greene (Mastery)

In order to master a field, you must love the subject and feel a profound connection to it. Robert Greene (Mastery)

Ego and learning are incompatible. If you want to learn you must put your ego aside and adopt a beginner’s mindset, assuming that you know nothing. @TheAncientSage

To get exponential returns, forget learning the latest thing. Instead, focus on what lasts. Shane Parrish

Making mistakes is something everyone does. Learning from them is not. Unknown

If you’re not willing to learn, no one can help you. If you’re determined to learn, no one can stop you. Zig Ziglar

Humility is the first step towards learning. You can’t learn until you are humble enough to realize there is something for you to learn. Robert T. Kiyosaki

If I want to be the best, I have to take risks others would avoid, always optimizing the learning potential of the moment and turning adversity to my advantage. Josh Waitzkin

There will be nothing learned from any challenge in which we don’t try our hardest. Josh Waitzkin (The Art Of Learning)
Shall I tell you a secret of a true scholar? It is this: Every man I meet is my master in some point, and in that, I learn from him. Ralph Waldo Emerson

Let the improvement of yourself keep you so busy that you have no time to criticize others. Roy T. Bennett

A man, though wise, should never be ashamed of learning more, and must unbend his mind. Sophocles [Click to tweet]

With too much pride a man cannot learn a thing. In and of itself, learning teaches you how foolish you are. Criss Jami

An exceedingly confident student would in theory make a terrible student. Why would he take school seriously when he feels that he can outwit his teachers? Criss Jami

Sit down before fact as a little child, be prepared to give up every preconceived notion, follow humbly wherever or whatever abysses nature leads, or you will learn nothing. Thomas Huxley

Fail often. Fail fast. Clean it up. Learn from it. Move on. Repeat. Brené Brown

It’s what we think we know that keeps us from learning. Claude Bernard

I am not a teacher, but an awakener. Robert Frost [Click to tweet]

Kids are learning machines. They just need the tools. Naval Ravikant

Education is the kindling of a flame, not the filling of a vessel. Socrates

Every student can learn, just not on the same day, or the same way. George Evans

Kids don’t remember what you try to teach them. They remember what you are. Jim Henson

You can’t teach a child anything until they are ready to learn it. The same is unfortunately true of adults. Neil Strauss
Teaching is demonstrating that it is possible. Learning is making it possible for yourself.  
Paulo Coelho

There are only two tools available to the educator. The easy one is fear. Fear is easy to awake, easy to maintain, but ultimately toxic. Other tool is passion. Seth Godin

The authority of those who teach is often an obstacle to those who want to learn. Marcus Tullius Cicero Click to tweet

If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind. Kahlil Gibran

Bodily exercise, when compulsory, does no harm to the body; but knowledge which is acquired under compulsion obtains no hold on the mind. Plato

A teacher who loves learning earns the right and the ability to help others learn. Ruth Beechick

The best teachers are those who show you where to look, but don’t tell you what to see. Alexandra K.Trenfor

One of the main focuses of my training sessions is to help individuals find their unique voices in the learning process. We all have our strengths, our weaknesses, our styles of learning, our personalities. Developing introspective sensitivity to these issues is critical to long-term success. Joshua Waitzkin

There are two ways of spreading light: to be the candle or the mirror that reflects it. Edith Wharton

A good teacher can inspire hope, ignite the imagination, and instill a love of learning. Brad Henry

You can teach a student a lesson for a day; but if you can teach him to learn by creating curiosity, he will continue the learning process as long as he lives. Clay P. Bedford

Tell me and I forget. Teach me and I remember. Involve me and I learn. Benjamin Franklin
